

CSE 113 A

February 14 – 18, 2011

Announcements - Lab

- ⚙ Lab 1 due 2/18
- ⚙ Lab grades 1 & 3 and practice assignment 3 grades are now available. If you do not see them – try refreshing the page. Graded entirely by Web-CAT
- ⚙ If you submitted a practice assignment 1, Lab 2, practice assignment 2, some of those have been graded, some have not. These assignments are graded by hand by a human.
- ⚙ Lab 4 & practice assignment 4 grade right when you submit (Web-CAT).

Announcements – Practical Exam 1

- ⚙ You will take practical exam 1 during your registered recitation the week of February 21st.
- ⚙ You **MUST** attend your registered recitation during that week to be allowed to take the exam.
- ⚙ If you are not sure which recitation you are registered for, check the UBLearns Gradebook.
- ⚙ Information about the practical exam is available as a link off of the Schedule page. 

Announcements – Exam 1

- ⚙ Will be returned Friday in lecture.

Announcements – Exam 2

- ⊗ Friday, March 4th in lecture
- ⊗ Review for Exam on Wednesday, March 2nd.
- ⊗ Look for review sheet to be posted on the Schedule page on or about February 23rd.

Announcements – Grades

- ⊗ The UBLearns gradebook is not a “live” gradebook. The “real” gradebook is kept elsewhere.
- ⊗ About once a week, I will update the UBLearns gradebook with the grades we have so far. If there have been no new grades, it might be once every two weeks.
- ⊗ If you notice errors, please report them.

Writing (Defining) Methods

Method definition

```
public _____ ( _____ ) {
    .....
}
```

method header

method body

7
